ture of several thousand dollars, but the officials hope, by making it will a road would be valuable in times d military need, to secure the aid of the fed (al government in its develop

Improvement of existing toads, son of which alread are excitent, is on templated, rather team the builds of a new road. Existing cights of way would have to be widered and nuch surfacing done, officials tells or, to make the present roads available for heavy military duty.

The highway would cross all trans continental railroad lines and all six of the old transcontinental "trails. forerunners of the present automobile highways from coast to coast. It would afford access to many highly

# **EX-SOLDIERS TO**

LONDON-(Correspondence of the Associated Press.) - The experiment of placing ex-soldiers on the land and training them as small farmers is tak ing definite shape, and in time the first land settlements, comprising 6,000 acres, will be occupied by 240 men. More estates will be acquired if the results of the experiment warrant an extension of the movement. At present, 60 cottages are being erected at the Crown colony, Patrington, about 15 miles from Hull, conaining 2,363 acres. At the central

farm of about 200 acres the men who propose to settle on the land will he MODERN ORDER OF PHOENIX employed under the supervision of the director and, when they have obtained the necessary experience and saved a little capital, they will be placed on holdings, of which there will be 60. In time the central farm will disappear The plan does not make provision

for disabled men as such. The root on King St., near principle is to determine by experiment how far the recommendations of the committee which drafted the plan evening. Visiting can be made a success. It is hoped, however, that a certain number of disabled men will be among the settlers. After the cottages, the farm buildings will be erected, and the Young Men's Christian Association has undertaken to put up a recreation

The board of agriculture will obain possession of the land at Hol beach for their second colony in October. In addition to a colony to be established in the southern or western counties of England and one in Wales, a prominent agriculturist has made a gift of over a thousand acres n Herefordshire.

#### TO ASK AMERICAN TOURISTS TO VISIT FRANCE AFTER WAR

The Monthly Review of the Touring Club of France refers to the american Commercial and Industrial Mission of six months ago and the discussion followed regarding the future of the American tourist traffic. It also prints certain suggestions received from the mission regarding the desiderata of American tourists and encourage those concerned to act accordingly These suggestions and desiderata to

Review condenses as follows: (1) Sending to the United States hotel commission, composed of hote managers, financiers and architects for the purpose of gathering facts plans, prices, and methods of manage ment and operation applicable to the program of the French hotel busine.

(2) Application of the best Amer. can methods for heating, ventilation, electric installation, elevators, ball rooms, kitchens, laundries, bars, b. gage rooms, and automatic macainer of various kinds.

(3) Organization of a purchasing service in pursuance of which ea h hotel could buy at wholesale rates all needed material, furniture and pro-

(4) Simultaneous construction unde the same contract of a certain number

(5) Sending every year young mer abroad to study the hotel business. (6) Centralization in a single office publicity work, with the idea of sys-
